# Safety information

## European Union—Disposal Information

 This symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

For information about the equinix  
recycling program, visit  
[www.equinix.com/recycling](http://www.equinix.com/recycling)
